## Hooray for Everything: Aid Concert Aid

After cutting their teeth at the Melbourne International Comedy Festival in 2007, **Hooray for Everything** return to Melbourne to present their second festival show **Aid Concert Aid**: An aid concert to raise money for failed aid concerts.

**Hooray for Everything** are three musicians from Brisbane who are convinced the only way to save the stale, overcooked and unprofitable aid concert is to put on an aid concert of their own.

A year in the making, the show features:

- *Hooray for Everything* appearing as 4 different bands
- 12 part harmonies
- Animations
- Videos
- Dancing
- Hilarity

Through the deconstruction of music, in association with the commercialisation of charity and proudly sponsored by a healthy dose of cynicism and whimsy, get ready to laugh, cry and do both at once at **Aid Concert Aid**. Visit [www.aidconcertaid.org](http://www.aidconcertaid.org) for more details.
