Celia Pacquola in...Hating Alison Bice

Fresh from Comedy Zone 2007 comes Raw Recruit 2006 Celia Pacquola in *Celia Pacquola in...Hating Alison Bice*. (Please note: Alison Bice was a recipient of a Moosehead in 2007, but Celia does not want anyone knowing that – no one).

'Apparently life's too short to hate people – but some of us make time'
- Celia Pacquola

This exciting new show examines what happens when two stand-up comics are forced together to do a Comedy Festival show by their misguided management team.

Exploring themes of friendship and obsession, the show examines what happens when two competing comics traverse the hard road of comedy and come to the shocking realisation that one might be just a little bit better than the other. Not that either will concede this as a possibility.

Written and performed by two of the most exciting comics in Australia – **Celia Pacquola** (Fox FM) and **Alison Bice** (Raw Finalist 2005) and produced by Louise Woodruff Sanz (Co-founder Thieving Dingo Theatre UK, Sony/Columbia Tri Star Scholar recipient); *Celia Pacquola in...Hating Alison Bice* is a no holds barred, full stand-up assault for anyone who's ever been part of bitch fight and loved every minute of it!

"Alison Bice is...darkly absurd" The Groggy Squirrel
"Celia Pacquola is already like an old pro" The Groggy Squirrel
