Every Film Ever Made

The ultimate blockbuster experience has finally come to the Comedy Festival. Robby Lloyd, Tegan Higginbotham and Adam McKenzie are going to act out EVERY FILM EVER MADE.

Over 100 YEARS OF MOTION PICTURES to incorporate, THOUSANDS OF CHARACTERS to play, THREE ACTORS and only ONE HOUR to do it in. Can it be done? You bet it can be done... No one puts Baby in the corner!

Australia's comedy industry is growing fast. These three dynamic comedians, two of which have featured as ensemble cast members on the top rating TV program *Thank God You're Here*, are among a new wave of young exciting talent.

Every Film Ever Made blends high-energy comedy and rapid-fire pop-culture references with a cavalcade of legendary performances & twisted homages. This is a heart-racing, non-stop comedy play incorporating over 100 years of film references, 34% of which will most likely refer to the 1985 classic *Back to The Future*.
