Story Telling Industries
Presents

Fox Klein – I'm Telling You For The First Time...Again!

Some things are so good they need a sequel.

Directed by Lawrence Mooney, *'I'm telling you for the first time... again!'* sees Fox Klein returning a little wiser, perhaps a little older, with the follow-up to his 2005 hit show *'I'm telling you for the first time.'*

Charming and challenging, Klein combines pinpoint observations and story telling, moving seamlessly through the joy, pain and sheer stupidity of day-to-day life.

Klein's twisted views on Kung-Fu, the ladies, movies, sex, ghosts... the likelihood of sexy ghosts... the probability of Steven Spielberg reading his screenplay about sexy Kung-Fu lady ghosts... has seen Klein become a punters' favourite in recent years.

Having honed his stand up skills on every type of stage in front of every type of audience, he has developed a style and energy that switches effortlessly between relaxed and commanding, to playful and highly energetic.

'I'm telling you for the first time... again!', Klein's fourth Comedy Festival venture is a show that doesn't aim to divide and conquer, but to bring together and unite everyone that sees life for what it is... funny.

"one of Australia's most prolific comedy writers" – Cam Knight, Stand Up Australia
"...definitely someone to keep an eye on." – The Groggy Squirrel
