NELLY THOMAS IS NOT A YUMMY MUMMY

Last year Melbourne comedian Nelly Thomas squeezed out a human ... and she hasn't got anything right since. Nelly thought no one could make her feel more guilt than her mother. Then she became one. People say that having children is a selfless act, but Nelly wonders if it is the most selfish thing she's ever done.

See one of Melbourne's favourite funny women tackle pilates-free pregnancy, parenting, pilchers and a future for Incy Wincy on a planet with no water.

Since winning the national Raw Comedy competition almost five years ago Nelly Thomas has made her mark on the Melbourne comedy scene. She has four Melbourne Comedy Festivals, two Melbourne Fringe Festivals and two stints at the world-renowned Edinburgh Fringe Festival under her belt in addition to numerous gigs around the country. Her background prior to comedy in welfare and education policy informs her work. Her material is often described as "intelligent" and "cutting edge" which amuses her no-end given that she's watched Neighbours for 20 years.

This show is not suitable for kids except the Cry-Baby session on Sunday 6th April at 4pm where all hell could break loose. Pram Parking Available, Kids under 12 are Free.
