Party Hard-d-d-d Tour 2008

A sweet mix bag of dynamic prog psych, prog-folk & prog-Eurotrash party as the PARTY HARD-D-D tour 2008 hits Melbourne - 2 shows only.

Feat. Severely enigmatic, musically dynamic outfits from Sydney, Melbourne and Newcastle.

Fresh from The Big Day Out this so-in way-out line-up features the psychedelically cuddlesome **RICHARD IN YOUR MIND** (JJJ Unearthed winners), art-folk humourist **THE BEDROOM PHILOSOPHER** (JJJ Hottest 100 I'm So Post Modern) and the 12 piece all-out all-dancing all-Casio keyboard party **ERGO B BAG & HIS ALL ACTION ALL STARS**. It's an audio waterslide for your bouncy castle brain.

THE BEDROOM PHILOSOPHER brings beats and bass to his Melbourne based music boudoir. Trading the solo for a freshly unveiled three-piece in tow he turns up the electric blanket with art-folk psychedelia. With a sound described as *Jarvis Cocker vs Ween jamming in Andy Warhol's bedroom*, The Bedroom Philosopher owns an unmistakable cult genre clash of off-kilter hyper-playful prog-acoustica and wit-hot lyric lines. **THE BEDROOM PHILOSOPHER** hit cult status with the hit single "I'M SO POST MODERN", which made it into the national music poll **TRIPLE J'S HOTTEST 100 IN 2006**. His most recent jaunts include *Perth International Arts Festival 2008* and *The Big Day Out* this year.

When Sydney based **RICHARD IN YOUR MIND** perform, audience members are so immersed in the band's incredible aura of psychedelic arson that they feel woozy and start to vomit up fractals. Timothy Leary once licked Richard In Your Mind. **RICHARD IN YOUR MIND** are already considered legends among those that have witnessed their narcotic brilliance. They have played with the likes of *Youth Group, The Softlightes (USA), Pivot, Sparkadia, Tucker B's*. And RIYM won **2007'S JJJ UNEARTHED NSW** and played the Sydney Big Day Out. If you look at your watch during a Richard In Your Mind show, you will notice that the numbers have disappeared leaving only the word NOW in their place.

ERGO B BAG & HIS ALL ACTION ALL STARS - "The Gentleman of Party" Ergo B Bag are a huge 14 piece outfit come complete with Casio keyboards, dancers and mega awesome new party hits by the Eurotrash king of party, crackers and good times. The band have been seen at several *Modular Record launch parties, Peats Ridge Festival 2006, Big Day Out 2007/2008*. After witnessing this 12-piece party, Eurovision will look like a cheap attempt at Eurotrash, this is THE real MCcoy.
