The House of Anomalous

Directed by Ross Daniels

Far from normal, but close to home.

Welcome to our house. There are pets to feed, revolutionaries to hide and the small matter of an inter-dimensional portal in the lounge room...

Meet Harvey the emotionally-challenged portal officer, Cecily (his recently adopted daughter of the same age) and the world's only Jelly Baby Man.

Join them on a journey of dimensional intrusion, heartfelt revolution, and confectionary evolution as they struggle against the oppressive regime of the *Mighty Hand*.

An absurd and subversive sitcom, creating anarchy with Action Man figures™, elastic punishment kits and mismatched love. Anomalous whisk you away with a whimsical tale that will leave you gleefully waiting for the next episode.

Anomalous are: **Jason Geary**, **Jamie Robertson** and **Elissa Doxey**. With experience from stand up, improvisation, film, TV and theatre, previous credits include - *Thank God You're Here*, *Late Night Impro*, *Theatresports™ Skithouse*, *Eurobeat - The Musical*, *Stingers*, *Blue Heelers*, *Strange Bedfellows*, *3 dollars*, *The Micallef Program* and many more.

"Wonderfully off the wall characters...a fantastically silly show"-
Groggy Squirrel.
