### **A Stitch In Time – The History of Frocking Up**

It is time to put on your finery as Miss Kat and Miss Jane take you on an adornment adventure about frocks, furious frills and flares. This spectacular spectacle is a historical journey of how some of our most loved and cringe-worthy garments over the last century came to be. From inventions to invasions, pop music and economic crashes plunging lower than Pammy's neckline, this show will take a peek into how fashion influences what people choose to wear on their sleeves (or just perhaps how to wear their sleeves).

Finding the funnier moments and ghosts of fashion past, *A Stitch In Time* will take you on a vibrant and entertaining exploration of what drove hemlines up and back down again, whether the clothes maketh the man (or woman) and what made the man make the clothes.

Kat has twice been a Semi-Finalist in Raw Comedy, has been podcast on Triple J, and has been involved in many theatre and MICF shows including *Give My Regards to Broady* (MICF 2008). Jane has performed in several short and full length plays, including *Carnival of the Damned Funny* (MICF 2008), and has twice won "Best Actress" as part of Crash Test Theatre.

***"Give My Regards to Broady is a joyous piece of theatre, richly comedic, silly and a fun night out."*** The Groggy Squirrel, MICF 2008
