

KIDS' COMEDY

## Tumbleweed Theatrical Productions

Presents

# Alice in Wonderland

Being a little girl is ever so boring. You're always told to sit up straight and not to bite your Nanny. But let's pretend that all the grown-ups and all the lessons could just... disappear. Let's pretend there is a Wonderland filled with brilliant (and rotten!) creatures. Let's pretend the cards we play with can spring to life and take us on a journey through their magical world. You will probably like it if you give it a try!

Three comic performers and a one-woman band play out Lewis Carroll's classic, which is loved by children and grown-ups alike. Are you ready to fall down the rabbit hole?

Designed for ages 5 and over, *Alice in Wonderland* weaves pantomime with storytelling, an original score, live musical comedy and physical theatre. The creative minds behind 2008's successful *Comicide* and *Princess Cabaret* collaborate to create a wonderfully whimsical and side-splitting celebration of the stories we have all come to know and love. Produced by Julia Lenton, come and join high energy performers, Brydie Lee-Kennedy (Alice), Sophie Miller, Patrick Magee and Jo Bourke.

Tumbleweed Theatrical Productions presented *Princess Cabaret* last year and received rave reviews.

**"Highly recommended"** Dan Ziffer, *The Age*

\* *Alice in Wonderland* will be followed by a season of *Alice –Through the Looking Glass*, April 14-25 (not Mondays)
