James Dowdeswell – No More Mr Nice Guy

James Dowdeswell (UK) is one of the nicest guys in comedy. Everyone says so. But after being mugged by school children at a London swimming pool, James decided it was time to act.

The old James would rather not cause a fuss, always looked on the bright side, and felt constrained by politeness. The new James embraces his dark side and regales us with tales of clouting a mugger, road-rage gone wrong, and a shooting rampage.

James has made various TV appearances including *Extras* (BBC) where he played Count Fuckula (in the David Bowie episode). He has also been filmed for the Paramount Comedy shows *Edinburgh And Beyond* and *The World Stands Up*.

James is a charming English comedian who has performed his stand-up all around the world from Shanghai to Dubai. Last year he toured Australia as part of the *Melbourne International Comedy Festival Roadshow*.

“James Dowdeswell is a real master of the comedian’s craft. It is a genuine pleasure to be in the company of this master gag smith for an hour, an experience that few should really pass up.” Chortle (UK)

“Intelligent and inventive” The List (UK)

“So nice you could take him home to meet your grandparents.” Metro (UK)
