Tale of the Golden Lease

Comedy cartel Vigilantelope combines the talents of Vachel Spirason, Joel Tito, Nick Russell, Tim McDonald and Pat Miller who performed together for five years in the famous Monash Comedy Law Revues. In the tradition of the D-Generation, Monty Python and the Goodies, Vigilantelope is utilising skills honed in revues and showcasing its signature mix of astute characterisation, witty banter, catchy music and unbelievable versatility.

Tale of the Golden Lease is a high-energy romp through a rollicking narrative. Join Vigilantelope on this journey that sees two heroes attempt to save Earth from the clutches of moderate evil. The story evolves through a series of diverse, character-driven chapters in which the bureaucratic nonsense of Heaven Pty Ltd, the ambitious ineptitude of the Underworld and the realities of life on Earth collide. Punctuated with live musical numbers and utilising a bevy of multi-purpose props and costumes, *Tale of the Golden Lease* sees scores of characters come to life in this comedic rampage through Heaven and Hell, and everything in between.

In *Tale of the Golden Lease*, Vigilantelope is forging a fresh new brand of comic story telling. One part whimsy, one part wit, and one part ridiculous, Vigilantelope presents a new work that is edgy, innovative, dynamic, and downright hilarious.
