## The 10<sup>th</sup> Anniversary of Failure

2009 is the 10th Anniversary of Nick's first Comedy Festival show. Since then he's done shows about Time Travelling Improvisers, The Gold Rush, a doomed German circus, perverse Children's entertainers, Rock Music, a 108 year-old drug addict and more...

It's clearly been 10 years of steady decline. So why not throw a party?

Come see what a decade of largely ignored comedy gets you...

Featuring Nick Caddaye, founder of The Anarchist Guild Social Committee, in an extremely modest outing.

*"Mr Nick certainly has the gift of the gab."* The Age
