The Birdmann in 1line

1 man, 100 foot of line, 1 hour into the future...

One of the world's most original acts goes on an imaginative and thoughtful journey into the continuity of life.

With 100 foot of line **The Birdmann** once more complements his innovative way with words with novel vaudeville visuals, cleverly combining witty one-liners, magical escapes and a fulfilling narrative.

Tied to one hundred foot of line **The Birdmann** flies into an existential investigation from a grain of salt to the end of the universe.

The Birdmann has shown in fifteen countries worldwide and this will be his fifth Melbourne International Comedy Festival.

And due to hard economic times **The Birdmann** is offering tickets at one of the finest values of the festival: only \$10 concession and \$15 full!

1line will be accompanied with cool and eclectic live original compositions by Indie musical artist and delightful assistant, Mariko McConnell.

Join the line now for an event that will live with you well into the future!

"The ideas he plays with sparkle with originality, approaching the art of comedy from the most obtuse angles... ingenious." chortle.co.uk
